College of Three Ravens Court Report. February 2012.

- The Court of Aquila d'Athos and Bronwyn nic Gregor, 7th Avian Excellencies of the Barony of Thescorre, was opened. Their Excellencies thanked all who came and enjoyed the event that day, from those who worked behind the scenes, to the gentles who were at their first event.
- The autocrat of the event, Baron Eric Grenier de la Barre, was asked to come into the Court. Eric profusely thanked his staff and friends for all their help and support in making the event come together. He then asked his Chancellor of classes, Orianna, to join him.
- Orianna presented Tortoise scrolls to all the gentles who had taught classes that day. Scroll design by Branwyn ferch Gwythr.
- The head of the Cauldron Bleu Cook's Guild, Mistress Bryn ni Mac Rose, was asked to come before Their Excellencies. Bryn praised Baroness Katja for the excellent sideboard lunch that was prepared, and presented Lady Elzbieta with a Blue Spoon for cooking her first feast in Thescorre. Both cooks openly thanked their staffs for all the hard work and then both headed back to the kitchens.
- Their Excellencies asked that Their outgoing Baronial officers come into Court. Orianna, Eldjarn, and Kadlin were thanked for their service.
- The incoming Baronial officers were then invited before the Baron and Baroness. Elzbieta, Edmund, and Genevotte were thanked for volunteering their time and energy in taking up their offices.
- Former Captain of Archers, Lord Eldjarn the Thoughtful presented medallions to archers who had moved up in the ranks.
- Their Excellencies asked that all members of the Order of the Broche who were present to join them. Next they called Mistress Alison of the Many Isles before them. Their Excellencies spoke of Alison's skills with thread and needle, thanked her for all that she did to honor them and Thescorre, and inducted her into the Order of the Broche. Scroll by Lady Kadlin Sigvaldakona, words by Master Fridrikr.
- All members of the Order of the Ravens Feather were asked to come before Their Avian Excellencies. Lord Vettius Gaius Sergio and Lord Andrew of Thescorre were inducted into the Order.
- Lady Nezhah and Mistress Sadira were invited to come before Their Excellencies. They presented gifts from Master Saleem, and sang a song written by him for Aquila and Bronwyn. All delighted in hearing of the "Hamsters of Thescorre"
- After once again thanking everyone for joining them that day, the Court of Aquila and Bronwyn was closed.

Hrafnar syngjanði (Ravens singing)

Stef:	Translations: Stef:
Vargold syngdu virðiligr valir axlar aldinn. Morðarákefð merkvalds magnið sárgoggl bragir.	Sing of ancient age of wolves, worthy hawks of the shoulder. Best of wound-gulls, you raise mark-guards' slaughter-rashness.
Vísur 1 (af Hugin)	Verse 1:
Hugrenning þin hagrádr hjálmis gný aptr kallað: Ráðagorð af róðrvið reiðar at leiðadu. Dýfjarðar fyrðar fljúgask með tré-konung: með spakleik þin siklingr slagr gefa dólmann.	Wise-counselor, your mind's wandering calls after helmets' din: Lead you the raiders to blood-storm counsel-taking. The warriors of the bog-fjord fly to battle with Tree-King; With your wise-play the king gives his foes defeat.
Verse 2 (af Munin)	Verse 2:
aldinn draumar íllir orlogs brenna knorr-muns orras hjaldrs eyrendi - aptir dagstingr minna. gefa háset gjafar - gnýr minna fyr dýjarl; gefa þiljur gjafar - geira-mun fyr herjar.	Ancient dreams of evil's doom burn the mind's ship; The battle's blackcock's errand - be-minded after day's sting. Give gifts of din-dreams to Bog-lord in high-seat Give gifts of spear-thought to warriors on benches.
Verse 3 - (af Svart-Rob)	Verse 3:
Flograð vígstars fljúga fjarri ofan merkjum. Dýfolk fylgdu dagfar djarfum á gnýs darra. Druk af fors horn drekis drógdu þeima heima; Sennu vápna syngdu - sælligr með dýfolk hlæðu.	Fly far above slaughter- starling's banner fluttering. Guide the bog-folk bold on the spear-roar's journey. Lead them homeward drunk on dragon's-horn-wave; Sing of weapon-quarrels Laugh with bog-men happy!
