Adren cu Faol – Minister of Arts and Sciences

Madam Seneschal and Good Gentles all -

I have not been able to attend the Social Meeting this month due to family matters, and I am missing the Business meeting this month due to my health matters. I had an angiogram yesterday and am not supposed to drive until tomorrow afternoon some time. I passed the angiogram, the circulation in my heart is working well, so the pains I am having, and the shortness of breath are probably due to needing more exercise, which does not surprise me at all.

The Barony is functioning well in the Arts and Sciences in my absence. I thank Genevotte for handling the Social Meeting this month in my stead. Please attend the various guild meetings and practices. The leaders need the encouragement, and we can all benefit from exposure to new arts and sciences. The theme for the February Social Meeting is Courtly Love v.s. Valentine's Day, or when Modern meets Medieval in the Love Nest.

Thank you all for your understanding. I remain in Service to the Dream -

Kingdom Level Recognition of Thescorre Gentles

Compiled by
Lady Elzbieta Traidentyne

Several gentles of Thescorre have been recognized and honored by their Khan and Khatun in these past months.

From the Report of the Court of Khalek and Branwyn, Khan and Khatun of Aethelmearc, held at Their Coronation in the Barony of the Endless Hills on the fifteenth day of September anno societatis forty-seven, with the assembled Territorial Barons and Baronesses of Aethelmearc in attendance, Maistir Brandubh Ó Donnghaile, Silver Buccle...

Khalek and Branwyn then invited Baron Saleem ibn Alefan ibn Iftakruddin to attend Them. Their Majesties spoke to him that They had known him since Their first days in the society and had always known him to be a giving, knowledgeable, and kind man who served his kingdom and barony and fostered the growth of the society in others. In recognition of this long service, Their Majesties named him the 34th Jewel of Aethelmearc, and Maistir Brandubh O'Donnghaile presented the Jewel of Aethelmearc to Their Majesties. Their Majesties further presented Baron Saleem with his garnet for him to keep set in a Mongolian pendant. THLady Nezha bint Saleem presented him with a further token and Lord Corbinus de Cuvae asked for his permission to wear his favor upon the fields of battle as he stood beside the Khatun. Scroll in progress by Lady Laidhain ni Chleirigh na Coille upon a text by Count Jehan de la Marche...

From the Report of the Court of Khalek and Branwyn, Khan and Khatun of Aethelmearc, held at the Harvest Raids Festival in the Shire of Heronter on the twenty-ninth day of September anno societatis xxxvii, Maistir Brandubh Ó Donnghaile, Silver Buccle, with the assistance of THLady Aibell Shuluaine....

...Duke Marcus Eisenwald came forward to speak of the Heavy weapons challenge of the day... He further announced that there had been a populace choice for most chivalric and favorite fighter, and the clear choice had been Arsalan Egiseg, and so Duke Marcus presented her with a dagger...

...Their Majesties invited the Order of the Laurel to attend Them and explained that they had some business with the Order. Fifteen years prior at this event a lady had been raised to the estate of a peer as a Laurel and presented a promissory scroll. Their Majesties called for Baroness Alison of the Many Isles to come forward and presented her with that promissory scroll by the hands of Master Brendan Brisbane, and the now completed scroll by the hands of THLady Mary Elizabeth Clason upon the text composed by Master Brendan Brisbane....

From the Report of the Court of Their Sylvan Majesties Khalek and Branwyn, Khan and Khatun of Aethelmearc, held at the Hunter's Moon Tournament in the Shire of Hartstone on the twentieth day of October anno societatis xxxvii, Their Highnesses Maynard and Liadain, Prince and Princess of Aethelmearc, in attendance, Maistir Brandubh Ó Donnghaile, Silver Buccle...

...Robert of Thescorre was called forth and Awarded Arms and further inducted into the Order of the Golden Alce for his many years of service to the Army of Aethelmearc, serving his barony and kingdom in the heavy weapons lists and melee fields. Scroll by Lady Mairghread ui Stilbhard uu Coinn...

From the Report of the Court of Their Majesties Khalek and Branwyn, Khan and Khatun of Aethelmearc, held at Fabric Fiber and Fighting Collegium in the Shire of Abhainn Ciach Ghlais on the seventeenth day of November anno societatis xxxvii, Maistir Brandubh Ó Donnghaile, Silver Buccle...

...Their Majesties called for Peter of Thescorre to come forward. Their Majesties spoke that They had known him for some years and had delighted to watch his growth in the society, and in heavy weapons, now he serves as a member of Their retinue and transports Their Regalia, for this They Awarded him Arms, and for his skills on the heavy weapons lists they inducted him into the Order of the Golden Alce. Scroll limned by Sir Sextus Plinius Callidus, scrivened by Laddy Izabetta Orsini, upon a text by Baron Caleb Reynolds...

From the Report of the Court of Their Majesties Khalek and Branwyn, Khan and Khatun of Aethelmearc, held at the Masked Ball in the Barony of the Rhydderich Hael held on the eighth day of December anno societatis forty-seven, with Their Sylvan Highnesses Maynard and Liadain, Prince and Princess of Aethelmearc, and Their Excellencies Carolus and Isolda, Baron and Baroness of the Rhydderich Hael, in attendance, Maistir Brandubh Ó Donnghaile, Silver Buccle, with the assistance of Master Fridrikr Tomasson...

...Lord Thomas of Petersham was called forward and Their Majesties inducted him into the Order of the Golden Stirrup for his extremely period fighting kit. Some had said that even his shadow was period, such were the lengths that he went through to insure his armor was appropriate for his persona. Scroll by Lady Fenris McGill...

Vivats to Baron Saleem, Arsalan, Baroness Alison, Lord Robert, Lord Peter and Lord Thomas!

Hrafnars ýr - The Ravens' Yews

This is a song for the archers of Thescorre. Of course, archers must have targets, so I decided to "declare bardic war" on our friends from Ealdormere.

OLD NORSE

Fram norðt vargsfjoll fimvig
fjáendr sigla svandalir;
nautfé kaupangs unýttast

ENGLISH

War-skilled fiends from wolf-fells
northern sail swan-dales;
níðings-bastards pillage
townfolk's useless cattle.
Spear trees from dark woods
marching to battle -
destroyers of fields
trample sun-bright acres.

Athos bow-shaker, chieftain,
calls to his best kinsfolk:
Yeomen, Yggs gull's homeland
defend with weapons hail!
On Gyldis's-bastards bare-legged
rain down your bow-thunder!
With blackest blood-birds' wound-reeds
scatter swine-eyed grey-wolves!"

Edmund yew-glad English
answered: Bend we bows -
Raven's black-turf we swear
to defend with Hogni's showers! "
Three score fittest bow-men
Join in Ullar's Thunder;
Rabble of war-lynxes
suffer Sami's hail.

Little northern night-prowlers'
buttocks arrow-bristle.
They flee to mooring-horses
dropping cattle lowing.
Across the plain of puffins
wolfmen - war-shafts targets;
Roak's wolfish jetsam
horrid sail homeward.

Feast menu for College of Three Ravens

Katja Orlova

Unless food prices demand last-minute changes, my planned menu for the feast is:

First Course:

Lamb samosas

Spinach with basil, mango, & orange

Dal (spiced moong beans)

Carrots glazed with butter and toasted sesame oil

Pilaf with saffron, cardamon, & coconut milk (plain rice will also be available)

Mango sherbert (cold mango drink), grape juice, cold water

Second Course:

Skewered broiled chicken with herbs

Roast beef (just salt & pepper; possibly wrapped in banana leaves if I can find them)

Aubergine burani (eggplant and lentils braised with ginger, garlic, tamarind & mustardseed)

Squash sauteed with onions and toasted cumin

Freshly made Naan (flatbread)

Chickpea flour flatbreads (gluten free)

Freshly made yogurt

Third Course:

Bananas & Medjool dates fried in butter & sugar

Dried fruit (probably apricots)

I hope to offer a second dessert -- some sort of halva cookie -- and to offer at least one chutney or relish with the beef (possibly an apple chutney).

Please note that 15th century Moghul Indian cuisine does not contain any chili peppers, so none of the recipes are "hot"
