CURRENT EVENTS

Baronial Champs -- Genevote Nau d'Anjou, Autocrat

The theme of this event is "Courtly Love". Genevote needs to make contact with all of the marshals and the champions to make sure that tournaments are being set up and to find out what is needed in terms of equipment. She contacted Richard and Nikki; they do not need a Brute Squad until Friday, 27 May. Genevote will not be onsite until 6pm that evening. If the Brute Squad will turn up prior to that, things will run more smoothly.

There will be no lunch. Venetia will be in charge of potluck. Quite simply, bring something palatable. Please remember ingredient lists! Heating must be done in your camp; the house is off limits.

Sadira requires a final count of marshals and their preferred cookies.

UPCOMING EVENTS

Pax Interruptus -- Corbin, for Maggie

Maggie has called Edie Rae; she and Corbin are setting up a site visit. This year they will be moving some things owing to the inclusion of atlatl activities. She hopes to get a Tuesday off so she can come up to a meeting and work on site tokens. She has begun work on little parchment-paper books, about 1.5-2" square. Three cabins have been set aside for SCA people, and those

are taken. She will touch base with Andrew (dayboard) and Duchess Branwen (toll/reservation). Andrew is aware of TRM's dietary restrictions.

Corbin's marshals: at least one has been found for each discipline. One more would be good for thrown weapons and archery; he plans to speak with one person for youth heavy.

Sadira requires a final count of marshals and their preferred cookies for this event as well. Mairghread -- you'll want about 20 thank-yous for marshals.

OTHER

Æthelmearc Heralds and Scribes are looking for a person to run an event in autumn. Please submit proposals through the Barony before it can be passed on.

MARSHALS

Heavy Weapons will meet at Highland Park this Thursday.

Fencing has been outdoors at Adams St.; Simon Caminante will be at Highland on Thursdays as well.

Thrown Weapons is on hiatus, but will be able to begin again soon (marshal's arm and work schedule dependent). Corbin has his butt set up, so he may be able to host a practice or two at his house in Red Creek.

ARTS & SCIENCES

There will be a social meeting in June.
There will be A&S activity at War Practice.

GUILDS/ACTIVITIES

Threadworkers for May has been cancelled due to site issues.
Threadworkers for June -- date will be posted to the list.

CHATELAINE

Our next demo is the Finger Lakes Celtic Festival (21 May). So far Dubheasa and Elen will be helping her man the table (and Elen's mother). Sadira suggests perhaps considering whether there are people who can attend before we commit to demos.

CHRONICLER

Fewmets are available on Google Drive; Padraig is speaking with our various web geniuses regarding further archival.

WEBMINISTER

Site updates will be made as life and technology permit. Currently, Genevote is making sure that all is correct. Please email her with errata.

BARONESS

Sadira wishes to clarify the archery thing (her words): She has approached kingdom archery marshals with the problem. Cynwulf, from the Hael, has offered to come and get us off the ground again. He will run a few practices and train someone to be a marshal.

The equipment is with Eldjarn; Katja, Genevote and Richard have offered their homes, and Genevote is in the process of contacting various other ranges. Genevote has begun the process of becoming authorized, and Corbin is MIT under Mariana.

The Queen would like some favors, as well as Fleur medallions. She has a great deal of cord but is running out of medallions. These will be welcome in any form; please deliver them to Her Excellency that she might present them to Her Majesty.

The Queen wishes each Barony to hold a fundraiser for the scribes of Æthelmearc. If each Barony can raise \$150 toward Kingdom-level scrolls, that would be grand. Perhaps at Pax, a rummage sale could be had? Clarissa would be happy to volunteer with that. The Kingdom Exchequer must be involved in the process, however. Nothing is concrete. We are just turning ideas around in our heads.

The Queen, for her Tea, would like it in a garden! Anyone who would like to tote some flora to Pennsic may take a biodegradable pot from Sadira. She has three.
