Chatelaine (Term Jan. 1, odd years): Gwen reporting

Chatelaine report: look for an email this week about doing videos for newcomers. I'm going to do mine first and send it to Nez hopefully as a demo for what is needed. I'm looking for the officers to introduce themselves and talk about what they do in the Barony and just say hello to the newcomers and theirs will not be in garb. I'm going to look to folks who run guilds or who are part of baronial activities to do things in garb to introduce that activity and give newcomers another friendly face.

Gold Key: Nothing new to report.

Minister of Lists (Term Jan. 1, odd years) Branwyn: Not present

Pursuivant / Herald (Term, Jan. 1, even years), Andrew reporting: Nothing new to report. No requests for submissions. No courts. Report has been submitted.

Had court and it went well despite a couple of hiccoughs. Scrolls have been delivered to the recipients (distancing). Court report in progress

Youth: Nothing happening. Some armor is too small for the fighters so it will be donated.

Steward (Term July 1, even years), Steffan: Road signs still at Gwen's.

Webminister/Historian, Nuzha reporting:

- Pax went well. Cannot do multiple Zoom Rooms because they are IP sensitive
- Gwen and thinking about putting in a bid for C3R. Will have an online contingency
- Website updates (took classes with Amalie)-wanted to create separate sites for each of the groups (Cauldron Blue, Heavy Fighters, Scribal). This will allow them to customize and include their own content. Having them do their own updates will be helpful. Kingdom policy doesn't allow multiple people to have access to the main page. The Google sites will give the barony the ability to have these sites set up. People can directly email the group. Groups can allow more than just the officer to have access. She will discuss with the guilds and the groups.
- The links to the videos from Pax are available online. (see- Things of Interest.)
- Keep checking back for updates
- There is a lot going on in the kingdom and in other kingdoms. Classes and cross-teaching is going on. Other kingdoms have online. Please Share Learning Opportunities
- Fewmet (July) is coming online. Digitizing archival is in progress. Discussion and copyright ensued.

Follow The Raven's to War Daedez of the Dark Horde Moritu

Inspired by Thorgeirr Eikenskjalld the Thirsty's tune and
Janet of Arden & others words

Chorus:

Axe time, sword time,
Ready your weapons, Thescorre!
Wind time, wing time,
We follow the Ravens to War!

* * * * *

Thought's plans keep us all in good order.
His tactics inflict defeat sore
On those who would breach our land's border.
We follow the Ravens to War!

Chorus

Now Memory's song is of glory:
The great deeds of battles before,
So add a new verse to his story:
We follow the Ravens to War!

Chorus

"Kick butt" is our third Raven's motto,
Till foemen are covered in gore,
Then Bob feasts on chips and gets blotto.
So follow the Ravens to War.

Chorus

Subject: [SCA-AE] Halting all fencing and fighting in Aethelmearc until August 30th

Greetings from from Your Kingdom Seneschal,

After consultation with Their Royal Majesties, the Deputy Kingdom Seneschal for Pandemics, and the Kingdom Earl Marshall, we are halting all fencing and heavy fighting (and any variant thereof) in Aethelmearc until August 30, 2020. This decision will be reviewed at that time (or possibly before) and if Their Majesties, the Kingdom Seneschal, the Deputy Kingdom Seneschal, and the Kingdom Earl Marshall agree, we will re-open fighting in Aethelmearc.

Obviously, this is not what we were hoping for. Sadly, our numbers and positivity rates across all three states (and across the U.S.) are going up. And the most important thing is that we keep our members safe.

Stay safe.
Illadore
